intro

Thank you for choosing Kenya's Keys and entrusting us with your unique talents!

We are confident you will appreciate the value of our personalized piano and vocal coaching programs that have been designed to help you unleash your inner superstar.

PRIVILAGES

The same way that a gym membership grants access to the facilities, staff, and equipment, monthly tuition grants you access to our staff, facilities, and equipment.

Instruction may come in the form a prerecorded video lesson, independent assignments, and group or one on one instruction.

Treble Makers (students) receive regularly scheduled lessons PLUS performance opportunities (at no additional cost to you) all year round.

Performance opportunities are never mandatory, however, participation in them is greatly encouraged in order to help grow your musicianship.

All lesson books are included! Lost lesson books? We'll provide you info for replacement purchase.

The 1st month's tuition is prorated from the date of your first lesson.

Fees

Your tuition amount is the same every month and is based on the number of lessons made available to you in a calendar year.

Tuition also factors in breaks, holidays, and the occasional missed lesson eliminating the need for make ups or rescheduling..

Lessons are not provided for accounts that carry a balance.

Late Fee \$30 for accounts not paid in full 10 days after the due date

Annual Enrollment Fee \$30/student or \$50/family due at the time of enrollment and every September.

Tuition rates *may* increase every September in order for us to continue to provide the most up to date and informed creative experience for Treble Makers.

We believe music lessons should be accessible for all children and for years we have partnered with [The MusicLink Foundation](#) to help meet community needs.

A \$30 Late Fee is assessed on the 10th of the month. Lessons are provided for paid accounts only. If you need an alternative payment date or plan, just ask! Simply send an email to Kenya@KenyasKeys.com.

Your annual Enrollment Fee covers books and teaching tools used during your lesson. This annual Enrollment Fee is assessed when you first enroll and again the following September. The current annual Enrollment Fee is \$30 for one Treble Maker and \$50 for a family of Treble Makers.

GROUP RATES

One of the best things about being a musician, is you have the opportunity to create with others. Group lessons easily make that happen.

Students progress faster (friendly competition), have more fun (increased personal joy), and develop more independence (positive peer pressure to succeed) in group lessons.

Our K.E.Y.S. Curriculum is structured for both independent practice as well as collaborative time. Students feel supported and continue to progress at their own individual pace.

- **30 Minutes** \$79/mo
- **45 Minutes** \$99/mo
- **60 Minutes** \$129/mo

Flex your creative muscles as you tap into your talents and learn with others while making great music.

PRIVATE RATES

We reserve private lessons for students who practice 45 minutes to an hour daily.

These students typically have a desire that matches the need to play piano or sing at the exclusion of other activities and are working towards an urgent goal such as a contest or an audition.

These super focused private lessons are designed for instruction at a highly accelerated pace and involve a deeper daily commitment to growth in musicianship.

- **30 Minutes** \$129/mo
- **45 Minutes** \$149/mo
- **60 Minutes** \$179/mo

Students will develop a healthy confidence in their own style, all while begin supported by tips and training to take them even higher.

Invitation

Classes fill up fast and are available on a first come first served basis.
